## Stand Out From the Crowd Teach Community Ed

No one knows it or understands it better than you. Turn your expertise and talents into a Community Education class. This is an opportunity to earn extra income and share your talents with others. If you are interested in teaching classes or want more information, email or call Tommy Bledsoe at 547-7565 or Miriam Testasecca at 547-7503. Request a course proposal application and prepare to make a difference in your community. Classes can begin in September.
